# TWO BOOKS OF UNUSUAL ARTISTIC INTEREST

MISS OTTILIE A. LILJENCRA NTZ

## THE WARD OF KING CANUTE

By OTTILIE A. LILJENCRA NTZ

The story of Randalin, the beautiful Danish maiden who served King Canute disguised as a page, and of her love for a noble Englishman, all in the brave old days of the Danish Conquest.

As a piece of beautiful book-making nothing so striking has been brought out this year. The illustrations are reproduced in full color from paintings in oil by the KINNEYS, and the artistic value is enhanced by initials and other decorations in a style appropriate to the period.

Price, \$1.50

## CARTOONS

By McCUTCHEON

Mr. McCUTCHEON's drawings in the *Chicago Record-Herald* have become famous for their marked individuality and close understanding of humanity. They have been brought in book form in response to many requests—a step which has proved quite justifiable by the extraordinary sale that the book has had since its publication on May 1. One hundred of his best and most popular cartoons are included in the volume which is beautifully printed and bound.

### Masters of English Landscape-Painting

This volume surveys pictorially, by means of profuse illustrations, both coloured and black-and-white, and also textually, by means of separate essays, the work of three of the most eminent and representative of the English school of landscape painters

JOHN SELL COTMAN, DAVID COX, AND PETER DEWINT

It would be hard to find three landscape painters of one period with styles that offer such marked and pleasing contrasts, ranking both as water-colourists and as oil-painters. Cotman is treated of by Lawrence Binyon, David Cox by A. L. Baldry, and Dewint by Walter Shaw Sparrow. The volume contains over 160 black-and-white cuts, and 20 full-page colour plates. ## *"LIFE IN THE NORTHWEST"*

If you have any idea of changing your location—*GO INTO THE NORTHWEST*—where life is worth living.

It is the coming empire of this country. Climate and elevation are found in great variety and land will never be as low-priced again as it is now. For farming, fruit raising and grazing no portion of our country equals it. Irrigation makes the farmer independent where irrigation is practiced and the finest irrigable parts of our country are in Montana and Washington. The towns and cities are all growing rapidly in the Northwest.

Let me know what you want and I will try to help you. There are all sorts of places and kinds of land in the Northwestern States through which the *NORTHERN PACIFIC* runs. Don't wait until it is too late to go.

Low Settlers' Rates are in effect during September and October. Write to me where you want to go and I will tell you what it will cost.
